Near Death in Big Pond.

It was a thrilling experience to Mrs. Ida Soper to face death. "For years a severe lung trouble gave me intense suffering," she writes, "and several times nearly caused my death. All remedies failed and doctors said I was incurable. Then Dr. King's New Discovery brought quick relief and a cure so permanent that I have not been troubled in twelve years." Mrs. Soper lives in Big Pond, Pa. Her troubles were Coughs and Colds, Sore Throats, Hemorrhages, La Grippe, Asthma, Croup, Whooping Cough and all Bronchial affections. 50c and \$1. Trial bottle free. Willson was bruised on many parts of his body, Mr. Lyman's face was cut and contused.

Rev. Pierce Bryant will fill his pulpit at the Baptist Saturday and Sunday.

Patrons on R. F. D. No. 4 speak very complimentary of the carrier, Mr. J. B. Sartain. That a lot of mail is carried on this route is shown by the fact that it has been hauled away on a farm sled from one of the boxes.

Messrs. B. T. Lunsford and S. D. Carpenter, who were sureties for Harrison Anderson, the mail carrier who absconded last summer, have been notified by the department at Washington City that they shall carry the mail the rest of the term. We believe they are the right men in the right place.

Richard Harris, son of John Harris, is very ill with pneumonia. Master Marshall Adams, little son of Reuben Adams, has been quite ill for several days. Ephraim Woods is visiting his brother, Clarence, at Pine Hill. Fred Dyehouse and his mother spent Sunday and Monday at the bedside of Mrs. Dyehouse's sister, Mrs. Allen Thompson, near Paint Lick.

It is probable that the case of the Coopers and Sharpe for killing Senator Carmack at Nashville will get to the jury today. Gen. McCarn, who made the last speech, begun Saturday and was to have concluded it yesterday. One of the attorneys for the defense spoke nine hours, while others of the counsel spoke from five to seven. The case has attracted great attention and the outcome will be awaited with much interest. The I. J. predicts that the jury will be unable to agree, that the Coopers and Sharpe will be allowed bail and the three men will never be punished for the murder of Senator Carmack.

To The Democrats of Lincoln County.

I can not submit, in silence, to the unfair treatment I have received at the hands of the constituted authorities of the party in this county. My friends who so loyally supported me, and who believe that I was nominated for sheriff, have been deprived of a voice in the late primary election. They shall know and the party generally shall know that I have been defrauded of a nomination to which I am justly and fairly entitled, and have been denied even a hearing, by a majority of the county committee.

I have always been a consistent democrat and when I announced myself a candidate I had a right to suppose that I would be given a square deal by the party authorities, whether they happened to be for or against me in my race. So when I was approached by a present-then-at-sea henchman of my opponent, and his services tendered me to get my friends on the county committee, I spurned his offer with the statement that I would engage in no such fraudulent conduct; that I was only entitled to a square deal and would certainly not compromise the honor of any friend of mine by asking him to be a member of the committee in order to act for me, right or wrong. I acted strictly in accordance with these views. So I neither took nor attempted to take any part in the selection of the county committee. I do not regret my course in this matter, even though it did cost me, as subsequent events show, the nomination for sheriff.

When the committee met to select the officers of election, I submitted, as requested, a list of names of persons competent to act as such. The committee appointed 48 election officers, yet out of this number only 15 were favorable to me, and all the others to my opponent. This was not the result of chance, since even according to the fraudulent election returns, there was a difference between us of only 14 votes in a total of over 2,100.

I made a careful canvass of the county and believed a majority of the democrats were for me. So when it was reported that I was defeated by 14 votes, I determined to look into the matter. Upon investigation I was convinced that I had fairly won the nomination and had been deprived of it by

fraudulent votes and fraudulent count. I then proposed to my opponent, Mr. McCarty, that we agree to let the committee count the ballots, and abide the result. No one will say this was not a fair proposition. He finally refused to make any such agreement.

Still having some faith in the fairness of the committee, I filed before it, in the time and manner prescribed by law, a notice of contest. I stated that I had been fairly nominated and charged that the ballots had been fraudulently counted and that the ballot boxes themselves contained the evidence of and would show the fraud practiced upon me, and I demanded an examination and count of the ballots by the committee. I further charged that numbers of illegal votes had been cast and counted for Mr. McCarty in the various precincts of the county and gave the names of the illegal voters, in all, over 200. I further charged and specified other fraudulent and illegal acts in particular precincts. This notice of contest was full and complete in every detail. To this notice Mr. McCarty filed on last Monday a demurrer and an answer and counter notice.

The committee was called together last Saturday and the case tried, though the issues were not made, not a particle of proof had been taken and even time for taking proof had not arrived. The case was tried, however, that is if I may call a refusal of a majority of the committee to hear my contest at all, a trial. The only question properly before the committee on last Saturday was the objection by demurrer to my notice of contest. For the purposes of the trial of this question, it was admitted that the ballot boxes were stuffed with fraudulent votes for Mr. McCarty and that an examination and recount would demonstrate that I was nominated for sheriff. It was likewise admitted that over 200 fraudulent and illegal votes had been cast and counted for him. Yet, in the face of these admitted facts, the committee was urged not to try the contest, and by a vote of seven to five it so decided. Only T. A. Rice, W. L. Bell, Wm. Holtzclaw, J. M. Cress and Wm. North were willing to give me a square deal. The other members of the committee were determined otherwise. It was contended for Mr. McCarty that the committee had no right to count the ballots. A most nonsensical contention, since if the ballots can not be counted in a contest, what is the sense in that provision of the law requiring them to be sealed up and returned. "Any port in time of storm" and anything to give willing minds some excuse.

It was also contended that my charge as to fraudulent ballots in the boxes was not sufficient in detail, yet I charged that in the various boxes there were ballots cast for me and fraudulently counted for McCarty. I certainly could not know the exact number in each box. Again, the party law provides that the committee shall count the ballots in any precinct, upon a petition, signed by 10 per cent. of the voters therein. In order that the committee might not have even a pretext to refuse a count, I filed within the time prescribed, such petitions from Stanford Precinct No. 3, Waynesburg Nos. 2 and 3 and Hustonville No. 1. Yet upon these petitions the committee refused to count the ballots in these precincts. A majority of the committee was simply determined not to open the ballot boxes and uncover the fraud.

Again even if this one paragraph of my notice was insufficient, that could not affect or invalidate the nine other paragraphs wherein I charged, in each, more than enough fraudulent and illegal votes to give me the nomination and to which paragraphs there was not even a feigned objection. Notwithstanding these facts, a majority of the committee, upon a mere pretext—I use the word advisedly—dismissed and absolutely refused to hear or try the contest.

I offered before the committee to settle and determine the contest by a count of the ballots. I made this offer publicly, before the committee, and directly to Mr. McCarty, and repeated it, and he sat dumb.

This offer was fair and his failure to accept it or allow his partisans on the committee to act upon it, is proof conclusive of my charge, and demonstrates that I was fairly nominated and fraudulently deprived of the nomination. He knew a count of the ballots would show the fraud, otherwise he and his would certainly have consented to and acted upon my proposition.

The above are the plain, unvarnished facts and I submit them in order that you may know that while I am the victim this time, of the fraud, you may be the next, unless such practices are effectively rebuked. M. S. BAUGHMAN, Stanford, Ky. March 15, 1909.

STIRS THE FEELINGS.-The mere mention of some plays is enough to arouse the deep interest which many dramas fail to reach in the performance. Even the title of "Monte Cristo" stirs the feelings and enlivens the imagination. The play will be seen at Walton's Opera House to-morrow, Wednesday, March 17, with the advantages of the good company which Manager Fred G. Conrad always provides, and his own special equipment of scenery which has been perfected after a great deal of experience in presenting this drama.
THE County Committee met here Saturday to look into the contest of Mr. M. S. Baughman against Mr. W. L. McCarty. As has been stated in these columns several times, Mr. Baughman contested the nomination of Mr. McCarty for sheriff, charging fraud and irregularities. The committee heard the petitions of both gentlemen and speeches by the attorneys of each, but by a vote of seven to five declined to go further into the contest. Their decision is not at all pleasing to Mr. Baughman and he issues a card to the democrats of Lincoln county concerning their action. He was represented in the contest by Hon. P. M. McRoberts and Mr. McCarty by Messrs. W. S. Burch and George D. Florence.

PERSONS wanting dirt can have it free by sending their wagons to the court-house yard. Wagons loaded free of charge. Foundation stones for sale. F. Krueger & Son, contractors.
LINCOLN county seems to have gone daft on banks. There are now two at Stanford, two at Hustonville, one at McKinney, one at Crab Orchard, one at Waynesburg, another a little over the line at Brodhead, and now one is to be established at Moreland, which is not as large as Jetts. Ex-Representative B. B. King, well known here, is the promoter of the latter. -Frankfort Journal. So much money around here we must have abundant places to store it. It would not surprise us if Lincoln county doesn't have a ninth bank by July 1.
MRS. WIGGS, OF THE CABBAGE PATCH, will be presented at Walton's Opera House on Friday night, April 2nd, under the direction of Miss Harriett Jones. The play has been pronounced the best local or home talent production in a large number of towns where it has been given. The U. D. C. s will have charge of the attraction and the net proceeds will go to the John Morgan Monument Fund. Some of our prettiest girls and most gallant beaux will take part in the play and nothing will be left undone that will add to the pleasure of the entertainment. Remember the date, Friday, April 2nd, and make your arrangements to be at Walton's Opera House before the curtain rises.
A WHOLESOME STORY WELL TOLD.-Monte Cristo, which will be at Walton's Opera House to-morrow, Wednesday night, March 17th, is one of the greatest human nature plays ever written and in its appeal to the imagination through the instinctive love of adventure and romance, it is without an equal. It is a most ingeniously constructed play, the action is brisk and the situations give fine opportunity for the most elaborate scenic and mechanical effects. The incidents follow with cleverness and they are of true, cumulative interest that reaches great power in the final climax of "The World is Mine," and others. The production is under the direction of Fred G. Conrad. He brings a metropolitan company and special scenery.

DON'T forget the moving picture show.
THE Masons here are preparing for a big banquet on the evening of April 5th.

MR. M. S. BAUGHMAN informs us that he will now go to the courts with his contest for the democratic nomination for sheriff.
In our next issue we will give a history of Lincoln county and her several court-houses, written by Mr. John Bright, who knows more about this good county than anybody in the State.
NEWS came last night of the death in Louisville of Mrs. Al G. Huffman, formerly of this place. Further particulars were unobtainable but it is certain that the body will be brought here for interment.
MORSE.-Val Morse, son of Mr. and Mrs. V. B. Morse, of Hustonville, died at Deming, New Mexico, Thursday of pneumonia and the remains were to have arrived at Hustonville yesterday afternoon. He went to Deming for lung trouble some months ago and was getting along so nicely that he was about ready to return, when he became ill of pneumonia. His mother went with him and was at his bedside when the end came. Deceased was about 27 years old and an exceedingly clever young man. He was a brother-in-law of Mr. J. H. Reid, of the New Stanford Drug Co.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach nerve, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, flatulency, bad breath and shallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

Restorative

PENNY'S DRUG STORE.

SPRING IS HERE and men, women and children are tired of wearing their old Winter Shoes. Our styles this season, we think, are the prettiest and most stylish of any shoes that are made. In gun metals, patent leathers, box calves, velours and vicis they are unexcelled. When it comes to O. K. blood shoes and Oxfords you need not go any further. Come and select until your heart's content. Everything new. This season's goods. Prices are pleasing. All the way from a 50c baby shoe to a \$4 Crockett. Call around and see our line before you buy elsewhere. Will take pleasure in showing you our line.
